TALKABOUT WALKIE-TALKIES
OWN EVERY
MOMENT

OWN EVERY MOMENT

At the park with your kids, on the beach with friends or a keen adventurer enjoying a day out, Talkabout walkie-talkies from Motorola Solutions are a great way to keep in touch so you can focus on the moments that matter to you. With Easy Pairing and 16 license free channels, these walkie-talkies are the ultimate gadget for anyone serious about style and simple communication.

Talkabout walkie-talkies deliver dependable, instant communications hands-free or at the touch of a button allowing you to live, enjoy and conquer every moment.

EASY PAIRING

Pair and go. With simple, one-touch functionality, Easy Pairing lets you and your family or friends programme all of your radios to the same channel and code simultaneously. So now you can spend less time preparing, and more time exploring.

PMR446 LICENSE FREE

Talkabout radios utilise PMR446 frequencies for easy, cost effective operations with no subscription or call charges. Talkabout radios are also compatible with any other radio operating on the same PMR446 frequencies.

INSTANT PUSH-TO-TALK COMMUNICATION

Loud, clear and instant, Push-to-talk (PTT) functionality means calling is quick and easy. Just press the button and talk - no waiting for dial tones or for calls to connect.

16 CHANNELS

More channels gives more choice and reduced interference from other radio users so messages can get through first time.
