MAKE IT YOUR OWN WITH AN ARRAY OF ACCESSORIES

VERSATILE AUDIO ACCESSORIES

56517

This D-style earpiece has an in-line microphone and PTT button for convenient and quick radio access while on the go.

RLN6423

This swivel earpiece features an over-the-ear ergonomic design that is comfortable for all day use. Its inline microphone and PTT button make communication easy when your radio is not easily accessible.

HKLN4477

This surveillance earpiece with transparent acoustic tube makes communication discreet and easy. It also includes a rubber eartip for comfort in extended wear.

53862

This remote speaker microphone easily clips onto a shirt or collar, allowing you to speak and listen without having to reach for your radio.

RADIO AND BATTERY CHARGING SOLUTIONS

56553 and HKPN4009A

This dual charger allows for both, the radio and battery to be charged in the same unit.

56531 and HKPN4010

This 6-pocket multi-unit charger enables charging multiple radios conveniently.
