The TALKABOUT T82 Extreme is the rugged travel companion you need on your wildest adventures. With an IPX4 rating, the T82 EXTREME is weatherproof - able to withstand the harshest environments. The new hidden display comes alive when you need it and makes calling easier. The easy pairing button makes setup a breeze. A built-in LED torch provides emergency light when needed so you can read your map in the dark. And with essential accessories and a range of up to 10km*, the TALKABOUT T82 Extreme keeps you in touch whether you’re on the roughest treks or highest peaks.

All of this is wrapped in a handy carrying case and available in three versions: Twin pack with everything you need to get you started, Quad pack for larger groups and Remote Speaker Microphone pack that lets you speak and listen without having to reach for your radio.
