LEARNING SUBSCRIPTIONS

READY FOR THE MOMENT

Being ready for any critical moment relies on keeping knowledge, skills, and abilities sharp. Staying ready in a dynamic public safety environment with continuously evolving technology can be daunting and cumbersome. In order to be effective, efficient, and compliant, Public Safety Agencies must navigate procedures, technologies and changing environments. Education programs help Public Safety Agencies ensure their teams are ready at any given moment. Yet, managing education programs can be complex and time-consuming, often requiring training that is trackable, measurable and scalable.

Motorola Solutions has long provided product technology training and documentation. Today’s customer needs extend beyond the value of product technology education. Simplifying a customer’s overall education environment helps ensure user success and readiness. A Learning Subscription provides the continuous, curated education experiences that both maximize your technology investments as well as optimize your learning operations.

14%
Of customers keep pace with product feature updates

Combine rapid technology with dynamic environments, keeping skills sharp is critical

55%
Of customers have difficulty locating relevant education quickly and easily

Limited one-sized training programs don’t address complicated skills gaps
A LEARNING SUBSCRIPTION PROVIDES THE PLATFORM TO COMBINE:

- Expert Motorola Solutions Product Training
- A Customer’s Own Specific Compliance Training
- Third-Party Industry Training
- Learning Systems Administrative Functionality

BUILDING A SUBSCRIPTION IS EASY

Motorola Solutions offers Learning Subscriptions that are cloud-based and centrally-hosted, allowing each agency to scale the subscription to its own needs. No two organizations have the same learning needs whether it is the number of people to continuously train, the reporting requirements, or the technologies to support. The Motorola Solutions Learning Subscription can scale easily depending on need. Most importantly, users will have on-demand content that is personalized and easy-to-find.

**STEP 1:**
PURCHASE YOUR LEARNING HUB SUBSCRIPTION

Our Education White Glove team walks you through the system capabilities and serves as your guide to maximize your purchase. Determine which system features you’d like to focus on first and our team will tailor your onboarding to prioritize those features. In addition, your guide keeps you updated as new features roll-out to you at no-additional charge with your subscription.

**STEP 2:**
CHOOSE YOUR FIRST TECHNOLOGY HUB

The first Hub is included in your subscription. Additional Hubs are easy to add at discounted rates. With each Hub, you receive unlimited Online, Self-Paced training and discounts for instructor-led training (in-person or virtual).

**STEP 3:**
TAP INTO EDUCATION EXPERTISE YOU CAN TRUST

Supplement your Learning Subscription with Education Professional Services. These custom-quoted services round out the user’s learning success and create deeper, more personalized learning. Even if you opt not to add on a professional service with your Learning Subscription, our White Glove team will keep you updated as new services roll-out that may meet your future needs.
