

First responder programming grants

With employees located around the world, Motorola Solutions seeks to benefit the communities where it operates, and through strategic grants, the Motorola Solutions Foundation supports and partners with organizations in these communities as well.

2024 partnership examples

First Responders Children's Foundation (FRCF) United States

Since September 11, FRCF honors the fallen and supports their families during tragic times. Whether a first responder dies in the line of duty or tragically dies by suicide, the Bereavement Assistance Program provides the family of the fallen with support for funerals, grants for mental health and wellness support and college scholarships. This year, FRCF plans to award over 90 scholarships.

Blue Courage South Florida

The Heart and Mind of the Guardian is a training program designed for police officers and civilian personnel, emphasizing the core aspects of personal effectiveness. It aims to modernize police training by aligning it with the current needs of the service, ensuring officers are healthy, resilient and ready for the diverse challenges of the job, from their first day at the academy to retirement.

Royal College of Surgeons in Ireland Ireland

HUGS@Home empowers family members and friends of first responders to provide wellness support by raising awareness and teaching practical stress management skills, whilst being mindful of their own self-care. Training first responders' loved ones in the elements of 'HUGS': Hearing, Understanding, Guiding and Supporting, helps reduce the impact of what first responders take 'home' and enhances the wellbeing of first responders and their loved ones.

About the Motorola Solutions Foundation

As the charitable and philanthropic arm of Motorola Solutions, the Motorola Solutions Foundation partners with organizations around the world to create safer cities and thriving communities. We focus on giving back to the communities where we live and work via strategic grants, employee volunteerism and other community investment initiatives.
