

MOTOROLA SOLUTIONS

FACT SHEET

Motorola Solutions is a global leader in mission-critical communications and analytics. Our technology platforms in mission-critical communications, command center software, video security & analytics, bolstered by managed & support services, make communities safer and help businesses stay productive and secure.

We have a rich history of firsts, including pioneering mobile communications in the 1930s, creating the technology that carried the first words from the moon in 1969, developing the first commercial handheld cellular phone in 1983 and revolutionizing public safety communications with the launch of smart radio, APX NEXT and public safety virtual assistant, ViQi in 2019.

Today, our global employees are committed to designing and delivering the solutions our customers refer to as their lifeline. At Motorola Solutions, we are ushering in a new era in public safety and security.
