Motorola Solutions is a global leader in mission-critical communications. Our technology platforms in communications, command center software, video security & analytics, and managed & support services make cities safer and help communities and businesses thrive.

We have a rich history of firsts, including pioneering mobile communications in the 1930s, making equipment that carried the first words from the moon in 1969 and developing the first commercial handheld cellular phone in 1983.

Today, our global employees are committed to designing and delivering the solutions our customers refer to as their lifeline. At Motorola Solutions, we are ushering in a new era in public safety and security.
