

## Teldio Edge Gateway | Integrations

The Teldio Edge Gateway (TEG) supports a variety of integrations to standard protocols and applications. The following tables outline these integrations. For more information please contact [sales@teldio.com](mailto:sales@teldio.com).

### Standard Protocols

Integration	Communication to TEG	Send to TEG	Send from TEG
<b>Email</b>	Local Area Network or Internet	✓	✓
<b>Serial ASCII</b>	Direct Connection or Local Area Network	✓	✓
<b>SMS</b>	Internet or USB Dongle with SIM	✓	✓
<b>Modbus</b>	Local Area Network	✓	✓
<b>Contact Closures</b>	Direct Connection or Local Area Network	✓	✓
<b>MOTOTRBO Radios</b>	Direct Connection or Local Area Network	✓	✓
<b>Radio Audio</b>	Direct Connection		✓
<b>Printer</b>	Direct Connection or Local Area Network		✓
<b>TCP/UDP</b>	Local Area Network	✓	✓
<b>Web Services/API</b>	Local Area Network or Internet	✓	✓
<b>MQTT</b>	Local Area Network or Internet	✓	✓
<b>OPC</b>	Local Area Network	✓	
<b>Phone Call</b>	Local Area Network or Internet	✓	✓
<b>SNMP</b>	Local Area Network	✓	
<b>USB HID</b>	Direct Connection	✓	
<b>POCSAG</b>	Direct Connection		✓
<b>LoRaWan</b>	Local Area Network or Internet	✓	

## Applications

Integration	Communication to TEG	Send to TEG	Send from TEG
<b>Avigilon</b>	Local Area Network	✓	✓
<b>Motorola Safety Apps</b>	Motorola Radio	✓	
<b>Teldio TruFleet</b>	Local Area Network	✓	✓
<b>Teldio Sensors</b>	Local Area Network	✓	
<b>Teldio Panic Buttons</b>	Local Area Network	✓	

## Commonly Integrated Systems

Honeywell	NCD
Win911	Rockwell Automation
Schneider Electric	Cisco
Johnson Controls	Avaya
Siemens	PSTNs
Chubb Edwards	Mitel
Pi Alerts	RingCentral
Lenel OnGuard	Federal Signal
Outlook	ThingWorx
Google Mail	Frankentek
Twilio	Visiplex
SARA	Bosch
Zetron	RCare
Delta V	AIMS
Genetec	Shelly
Aeva	Kontakt
Automation Direct	Abeeway
Crestron	NOAA Weather
