### Frequency

#### GMRS
- 162.525 MHz
- 467.6125 MHz

#### FRS
- 162.525 MHz
- 467.6125 MHz

### Channel

#### GMRS
- 162.500 MHz
- 462.6125 MHz
- 462.6625 MHz
- 13
- 462.5750 MHz
- 462.6875 MHz
- 16

### To transmit to a radio that has QT noise filtering turned on:
- **VibraCallTM Alert**

3. **Maximum battery life savings may be achieved only when usage is**
   - **intermittent**
   - **not** continuous

2. **Press** or **to select the sensitivity level.**

1. **Select the same channel and Interference Eliminator Code as the**
   - **interference eliminator** code you will use temporarily for that channel.

### To turn QT and extended battery save modes on or off:
1. **Select the same channel and Interference Eliminator Code as the**
   - **interference eliminator** code you will use temporarily for that channel.

### Extended Battery Save

#### Special Features

#### Emergency Alert Mode

The Emergency Alert feature can be used to signal members in your group of your need for help. MINI radios will operate in an "auto-scan" mode (without the emergency alert function) or at the time of urgency, the radio will scan all 8 channels, or all 32 channels, or to quickly find unused channels for your own use.

#### Scanning Channels

- **1.** To turn scanning off, press ** or ** to stop scanning.
- **2.** To turn scanning on, press ** or ** to scan.

## Warranty

### Consumer Two-Way Radio Products and Accessories purchased in the United States or Canada

**What Does this Warranty Cover?**

This warranty covers products that have the following model number: GMRS/FRS. This warranty does not cover products that are not GMRS/FRS and that have the following model number: WX5.

**Who is Covered?**

This warranty extends to the original purchaser of this product, and to any subsequent purchaser during the warranty period.

### Exclusions

- **Normal Wear and Tear:** Parts maintenance, repair and replacement of parts due to normal wear and tear are excluded from coverage.

- **Battery:** Batteries that fully charged capacity falls below 70% of their rated capacity and batteries that leak are covered by this warranty.

### How to Obtain Warranty Service or Other Information?

- **USA: 800-654-5199**
- **Canada: 800-654-5199**

For accessories, please call the telephone number designated above for the product with which they are used.

### Products Covered

#### Products Covered and Accessories as listed above, unless otherwise provided for below.

### Length of Coverage

- **1.** 30 days from the date of purchase by the first consumer purchaser of the product.

### Products Covered and Accessories as Listed Above, Unless Otherwise Provided for Below:

- **1.** 30 days from the date of purchase by the first consumer purchaser of the product.

### Length of Coverage

- **1.** 30 days from the date of purchase by the first consumer purchaser of the product.

### Products Covered and Accessories as Listed Above, Unless Otherwise Provided for Below:

- **1.** 30 days from the date of purchase by the first consumer purchaser of the product.

### Length of Coverage

- **1.** 30 days from the date of purchase by the first consumer purchaser of the product.
