Products and Systems Technical Training

Join our classes to expand your knowledge of Motorola Solutions technology.

Live-training schedule

Click the link below to find the upcoming training sessions to be delivered by Motorola Solutions Technical Instructors, either remotely or in a conventional classroom.

Thanks to the distance learning technologies we use and our remote labs, learners experience the benefits of instructor-led sessions, regardless of the training modality. Participants and instructors have the opportunity to interact, collaborate in real time and enjoy live discussions, demonstrations and activities in all our classes.

Motorola Solutions - APAC: Open registration training sessions

Learn more about each class and book a seat using the link to the

Learning eXperience Portal sign-up page provided.

Self-paced training

We also have a wide offer of training you can take at your own pace. Click here to see the list of training resources that will allow you to gain foundational knowledge on a variety of topics and get ready for your instructor-led training session.
