

# V700 subscription offers

## Transparency shouldn't come at a high price.

As the requirement for law enforcement video systems continues to grow, the obstacles to acquisition remain the same. Raising funding and securing grants is difficult and time-consuming. Data storage and system maintenance costs are hard to predict. And video technology continues to mature, making a big investment potentially risky.

Motorola Solutions helps you overcome these obstacles. Our Hardware-as-a-Subscription program eliminates upfront costs, transforming a significant capital investment into a predictable, manageable operating expense. You'll enjoy the latest camera technology, secure video storage, and dedicated technical support—all included in one consistent monthly fee. Plus, with our no-fault hardware warranty, advance replacements, and 24/7 support, you're guaranteed peak performance and a completely worry-free experience. We even include free technology refreshes, ensuring your team always has the most advanced tools at their fingertips.

### V700 HARDWARE AS A SUBSCRIPTION (\$31 PER MONTH)

Contract length	5 years
Included technology and accessories	V700 body camera, swappable mount (magnetic, MOLLE or shirt)
Included software	N/A
Included training and installation	Virtual on-demand learning
Services	Device managed services (essential), accidental damage, advanced hardware replacement, 24/7 phone support
Refresh	New body camera and battery (year 3)

With built-in LTE connectivity, the V700 seamlessly integrates with CommandCentral Aware, providing your dispatch center or Real Time Crime Center (RTCC) with real-time location updates and live video streaming to enhance coordination and improve response times.

To ensure continuous, peak device performance and minimize operational disruptions, a convenient battery subscription service is available for just \$5 per month, offering a battery refresh for each V700 every two years. This service can be effortlessly incorporated into your initial V700 purchase.
