

END OF NEW SALES OF WATCHGUARD VISTA WIFI AND VISTA EXTENDED

Sept 21, 2022: We regret to inform you that we are discontinuing new sales of the VISTA WiFi and VISTA Extended body-worn cameras due to supply constraints. VISTA XLT will continue to be available for quotes and orders. The V300 and VB400 body-worn cameras, trusted by a quarter of a million law enforcement officers worldwide, are the recommended replacements for VISTA WiFi and VISTA Extended.

We will continue to provide quotations for VISTA WiFi and VISTA Extended cameras until October 31st 2022. The last order date is December 31st 2022. Shipments will be fulfilled for orders placed before this date. We will make commercially reasonable efforts to support VISTA body-worn cameras until December 31st 2025.

Models Being Discontinued

Service Implications Of Cancellation

We will make commercially reasonable efforts to support VISTA cameras until December 31st 2025, subject to demand and component availability. If the solution is under an active service agreement, we will support device repair through the length of the agreement. In the event we are unable to fulfill the length and scope of a committed service agreement, we will determine a mutually agreeable business resolution.
