

## Security & privacy

### You decide what to include

Provide as much or as little information as you want. Smart911 only asks for information that is relevant to aid emergency response.

### Only seen if you call 9-1-1

Your information is only available to 9-1-1 call takers and first responders if you have an emergency.

### Industry leading security

Your information is housed in top-tier secure facilities, complete with 24/7 physical security, video surveillance, and alarms. We utilize the same SSL certificate authority and encryption technologies used by leading financial institutions.

As seen on...

Because every second counts.

# Keep your loved ones safe

Smart911 is free, private, secure and protects millions nationwide.

You can provide 9-1-1 with life-saving information in an emergency and receive important community and weather alerts.

## 99% of users

would recommend Smart911 as an essential tool for personal safety.

## 11 minutes

saved by Smart911 in response to a house fire in Michigan, saving the homeowner's life.

## 45 million

residents protected by Smart911 nationwide.

## How it works

1. **Sign up for Smart911** and create a secure Safety Profile for your household.
2. **If you ever call 9-1-1**, the call-taker can see the emergency information you want them to see.
3. **Emergency responders** can then use this key information to help you faster and more efficiently.

## What can my Smart911 Safety Profile include?

### Family

Add all members of your household, including their photos. You can also add all landlines and mobile numbers and who they belong to.

### Address details

Let responders know how to access your home, bedrooms, utility shut offs, and if you live in a multi-unit building.

### Medical information

EMS can be aware of medical conditions, medications, and if special equipment will be needed in an emergency.

### Animals

Add your pets, service animals, and livestock, including their names and vet information, so responders are aware of them if they need to enter your home.

### Vehicles

Add vehicle details such as make, model, and license plate number in the event of an accident.

### Emergency contacts

Include family members, friends, or neighbors who should be contacted in the event of an emergency.
