

Plan ahead for emergencies

February is American Heart Month

In an emergency, seconds count. Now you can save seconds with Smart911, a free service provided by your community. Sign up for your Smart911 Profile today to provide information to 9-1-1 and first responders before an emergency happens, so they can better help you during one.

Tell 9-1-1 that you or a loved one has heart disease and other key details:

Medical conditions and medications

Address and home details

Emergency contacts

Because every second counts.
