Overview

The purpose of this document is to provide the release notes as a result of the Mission Critical Wireless RSM(PMMN4095A) firmware provided in the R01.02.01 firmware release.

Definitions

A known issue is a problem that is currently unresolved (open).

A closed or resolved is an issue that has been repaired and no longer should occur in the product after upgrading to the new product version.

The risk and workaround aspects are included in the release note description for overall assessment of the problem.

Mission Critical Wireless RSM PMMN4095A R01.02.01

What's new in the R01.02.01 Release?

Version	Notes
R01.02.01	The Mission Critical Wireless RSM PMMN4095A contains the fix for the Factory LED Test Issue
R01.02.00	The Mission Critical Wireless RSM PMMN4095A adds support for the following features: • APX Mobile Radio support when used with the PMMN4097C Mobile Microphone Bluetooth Gateway • XTL5000 Mobile Radio support when used with the PMMN4097C Mobile Microphone Bluetooth Gateway. • Update Edge of Range functionality • Improved Audio Transfer between Wireless RSM PMMN4095A and Mobile Microphone Bluetooth Gateway PMMN4097C, PMMN4097B (R01.11.00 and above), and PMMN4097A (R01.01.00 and above) • Custom configuration options now available using Accessory Programming Software (APS) programming tool
R01.01.00	The Mission Critical Wireless RSM adds support for Bluetooth connection with APX Portable radios.
R01.00.03	Initial release of the Mission Critical Wireless Remote Speaker Microphone (RSM) PMMN4095A supporting the Long Range Wireless Solution, designed to be used with the PMMN4097A Mobile Microphone Bluetooth Gateway.

Important notes

If using Mobile Microphone Bluetooth Gateway with the Mission Critical Wireless RSM PMMN4095A firmware, it is recommended to upgrade both devices to the latest firmware. Failure to do so may result in partial functionality.

OSS Legal Notices

Publicly Available Software / Open Source Software Legal Notices

This media, or Motorola Solutions Product, may include Motorola Solutions Software, Commercial Third Party Software, and Publicly Available Software.

The Motorola Solutions Software that may be included on this media, or included in the Motorola Solutions Product, is Copyright (c) by Motorola Solutions, Inc., and its use is subject to the licenses, terms and conditions of the agreement in force between the purchaser of the Motorola Solutions Product and Motorola Solutions, Inc.

The Commercial Third Party Software that may be included on this media, or included in the Motorola Solutions Product, is subject to the licenses, terms and conditions of the agreement in force between the purchaser of the Motorola Solutions Product and Motorola Solutions, Inc., unless a separate Commercial Third Party Software License is included, in which case, your use of the Commercial Third Party Software will then be governed by the separate Commercial Third Party License.

The Publicly Available Software in the list below is limited to the Publicly Available Software included by Motorola Solutions. The Publicly Available Software included by Commercial Third Party Software or Products, that is used in the Motorola Solutions Product, are disclosed in the Commercial Third Party Licenses, or via the respective Commercial Third Party Publicly Available Software Legal Notices.

For instructions on how to obtain a copy of any source code being made publicly available by Motorola Solutions related to software used in this Motorola Solutions Product you may send your request in writing to:

Motorola Solutions, INC.
Government & Public Safety Business
Publicly Available Software Management
1301 E. Algonquin Road
Schaumburg, IL 60196
USA.

In your request, please include the Motorola Solutions Product Name and Version, along with the Publicly Available Software specifics, such as the Publicly Available Software Name and Version.

Note, the source code for the Publicly Available Software may be resident on the Motorola Solutions Product Installation Media, or on supplemental Motorola Solutions Product Media. Please reference and review the entire Motorola Solutions

Publicly Available Software Legal Notices and End User License Agreement for the details on location and methods of obtaining the source code.

Note, dependent on the license terms of the Publicly Available Software, source code may not be provided. Please reference and review the entire Motorola Solutions Publicly Available Software Legal Notices and End User License Agreement for identifying which Publicly Available Software Packages will have source code provided.

To view additional information regarding licenses, acknowledgments and required copyright notices for Publicly Available Software used in this Motorola Solutions Product, please select “Legal Notices” display from the GUI (if applicable), or review the Legal Notices and End User License Agreement File/README, on the Motorola Solutions Install Media, or resident in the Motorola Solutions Product.

MOTOROLA SOLUTIONS and the Stylized M logo are registered in the US Patent and Trademark Office. All other trademarks, logos, and service marks ("Marks") are the property of the respective third party owners. You are not permitted to use the Marks without the prior written consent of Motorola Solutions or such third party which may own the Marks.
