

TALKABOUT™

# T603 H<sub>2</sub>O

Two-way radio

Go **anywhere**

Stay connected during your wildest outdoor adventures

With a rugged, fully waterproof\*\* design, emergency features and a 35-mile range\*, the TALKABOUT T603 H<sub>2</sub>O walkie-talkie keeps you connected and protected during outdoor adventures and more. The T603 H<sub>2</sub>O walkie-talkie is packed with valuable radio features, like its floating capabilities and flashlight. And, the T603's flashlight activates upon impact with water, so you don't have to worry about losing your device.

If a dangerous situation arises, the T603 H<sub>2</sub>O's easily accessible emergency alert feature can loudly alert other radios. This combined with its 35-mile range\* allows you to maintain peace-of-mind during adventures.

Whether it's during outdoor adventures or emergency situations, the T603's feature set will keep you connected and prepared.

**Up to 6 miles**

Neighborhood:  
**Up to 2 miles**

\* The range in real-life conditions can be reduced from maximum range.

The communication range quoted is calculated under optimum conditions, with an unobstructed line of sight. Actual range will vary depending on terrain and conditions, and is often less than maximum possible. Your actual range will be limited by several factors including, but not limited to, terrain, weather conditions, electromagnetic interference, and obstructions.
