GREENFIELD

DEFAULTING PACKING LIST & COO (Country of Origin) IN ASN CREATION 10-October-2017

- During ASN Creation, user may Populate the Packing List & COO (Country of Origin) and default it across all shipment lines. (Under Shipment Line Tab)
- System will prevent user from entering Shipment Header details if the Pack List & COO is not present in Shipment Lines.
- ASN Shipment Header will have the Packing Slip defaulted from the Shipment Line Packing Slip.

• Defaulting Shipment Packing List & COO to All Lines
