

iSupplier Downtime Notification

The Greenfield E-Business Suite (EBS) applications will be unavailable from Thursday, **Feb. 4 at 4:00 p.m. to Monday, Feb. 8 at 5:00 a.m. U.S. Central time** due to a large infrastructure upgrade. Functionality will not change. We're upgrading our backend Oracle infrastructure to improve platform stability and robustness.

This notification is for all registered users of the system. All users will be impacted by this maintenance. No action is required of you - this is simply a courtesy notice, and you will be able to login when it is completed.
