## Information Security Management System – ISO/IEC 27001:2022

Coalfire Certification, Inc. certifies that the following organization operates an Information Security Management System (ISMS) that conforms to the requirements of ISO/IEC 27001:2022 per the scope and boundaries statement detailed below:

<b>COMPANY:</b>	Motorola Solutions, Inc.	<b>ADDRESS:</b>	500 West Monroe Street, Floors 40-44 Chicago, IL, 60661 United States
-----------------	--------------------------	-----------------	---

### Scope:

The scope of this certification is applicable to the Information Security and Privacy Management System (ISPMS) governing information assets and data processed by Motorola Solutions, Inc. (including its subsidiaries), development and technical engineering support operations and relevant corporate infrastructure for its Critical Communications, Video Security, and Command Center products and services offerings, and the Data Protection Office and Enterprise Information Security.

For the in-scope development and technical engineering support operations activities described in this document, Motorola Solutions, Inc. acts as a processor of personally identifiable information (PII). Corporate Human Resources, which provides certain relevant corporate infrastructure, acts as a controller of PII.

These activities are governed by the implemented controls in accordance with the organizational Statement of Applicability, version 7.0, dated April 30, 2025.

The scope encompasses ISO 27001:2022, and extensions ISO 27017:2015; ISO 27018:2019. Additionally, the scope encompasses ISO 27701:2019.
