

Orchestrate ordering guide for Motorola and Avigilon partners

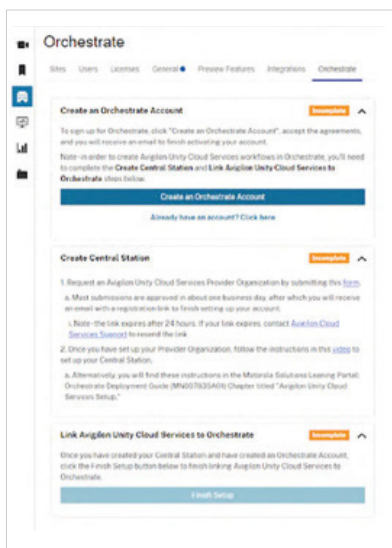

→ Option 1

Self-registration via Avigilon Unity Cloud Services

Preferred option for customers that have or plan to use Unity Cloud Services

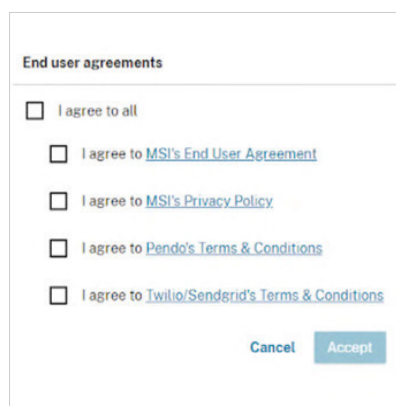

Step 1:

Within Unity Cloud Services in the integration section, click "Create an Orchestrate Account" under the new 'Orchestrate' tab

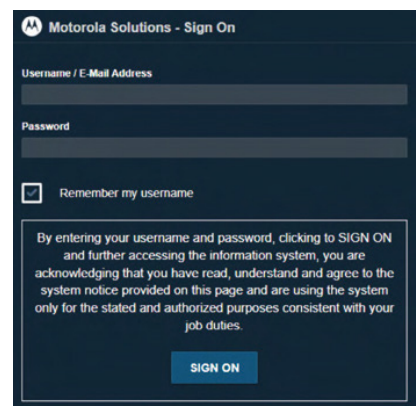

Step 2:

Accept Legal Agreements, Privacy Policy, and Terms & Conditions

Step 3:

Set your password and Login to Orchestrate

Automatic Communications Upon "Accept"

Two communications will be received, to set your password and welcome you to Orchestrate.

→ Option 2

Simple Google form for an account

Preferred option for customers that do not have Unity Cloud Services

Fill out the “Orchestrate Account Requests” Google Form

Who: Channel Partner or Motorola Solutions representative

Required Information:

Account contact information (name and email address)
Partner and/or end customer

What happens once filled out?

- Motorola Solutions will create & activate an account in 3-5 working days
- Two communications will be received, to set your password and welcome you to Orchestrate
