USE CASE
SAFE STUDENT RETURN
Safer Schools & Universities

Operational View

DETECT

NO FACE MASK DETECTED
At all major entry ways of school, cameras monitor for student and staff compliance with the face mask policy.

ANALYZE

FACE MASK COMPLIANCE ANALYSIS
Analysis and reports are conducted to determine the locations and times of day that individuals are not compliant with the face mask policy.

COMMUNICATE

NOTIFICATIONS COMMUNICATED
Administrators and security teams are notified of locations and times of day that individuals are not compliant with the face mask policy for further investigation.

RESPOND

REDISTRIBUTION OF RESOURCES
Administrators are able to reallocate security officers and other resources to the identified areas to monitor compliance with the policy.
