

# Motorola Solutions National Merit Scholarship Program

Do you have a child in high school? If so, you'll want to pay attention. Children of Motorola Solutions employees are eligible for a recurring scholarship sponsored by the Motorola Solutions Foundation. Administered by the National Merit Scholarship Corporation (NMSC), the scholarship program is open to any U.S. high school student who is entering their junior year of high school. The Motorola Solutions Foundation will support up to 10 students per year to receive a scholarship of \$2,000 per year for up to four years of college undergraduate study.

## How it works
